

**SECURITY LIGHTING AGREEMENT**

Work Order # \_\_\_\_\_  
Job Order # \_\_\_\_\_ (Map Reference)

Whereas, \_\_\_\_\_ of \_\_\_\_\_  
a member or consumer of the CENTRAL TEXAS ELECTRIC COOPERATIVE, INC. whose  
account number is \_\_\_\_\_ and is hereafter known as "member" requests the  
CENTRAL TEXAS ELECTRIC COOPERATIVE, INC. hereafter known as "Cooperative", to  
install security lighting on said member's premises upon the following terms and conditions:

1. It is understood that this agreement shall stay in force for a period of not less than twelve (12) months, and thereafter until terminated in accordance with the law, Public Utility Commission of Texas rules, or approved service rules and regulations of the Cooperative.
2. A duly authorized representative of the Cooperative shall be permitted to enter member's premises at all reasonable times in order to make necessary repairs and lamp replacements.
3. The Cooperative will maintain the luminaire free of charge, except as noted below.
4. The member agrees that he/she will use all diligence to protect the light from damage and will pay to the Cooperative whatever expenses are incurred in correcting for willful or deliberate damage or vandalism. The member agrees to notify the Cooperative immediately of such damage to the light, or any failure of the light (burning in the daytime, not burning at night.)
5. The Cooperative agrees to exercise reasonable diligence in lamp replacements and repairs.
6. The Cooperative agrees to install \_\_\_\_\_ lights for which the member agrees to pay according to the Cooperative's applicable rate schedule. Consumer understands that such rate schedule may be changed or the class of service may be changed by consent or order of any regulatory authority having jurisdiction thereof. Such changed tariff and/or redefined class of service shall be applicable to service and energy provided hereunder from and after the effective date of such change.
7. The member agrees that the Cooperative will forever retain ownership of all light fixtures and all materials used to service lights installed on the line side of the member's meter (meter number \_\_\_\_\_.)
8. The member agrees to contribute \$ \_\_\_\_\_ dollars for the installation of the following materials required to serve light that is connected on line side of member's meter \_\_\_\_\_.
9. The member agrees to pay for the installed cost of all materials (except luminaire) necessary to connect light on load side of meter.
